# FAQ

Jarmelo

**Q: Is it suitable for left-handed users?**

A: Yes. Works for both left- and right-handed users.

**Q: Why does the lead break easily?**

A: The lead may be extended too far or pressed too hard.  
Click 2-3 times to extend the lead about 1/3 in (8 mm).  
If it's too long, gently push it back in.

# PENCIL SHARPENER INSTRUCTIONS

Jarmelo

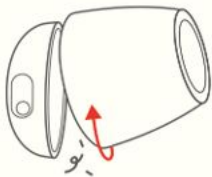

01

Open the sharpener and remove the rubber cover.

02

Click the pencil 4-5 times, then insert the lead into the small hole and twist to sharpen.

03

Open the bottom lid and pour out the shavings to clean.

## TIPS

Use it as a pencil stand—insert the pencil into the top to save space and protect the tip.
