

How to Use the Water Pen

1 Unscrew the water pen and fill it with clean water.

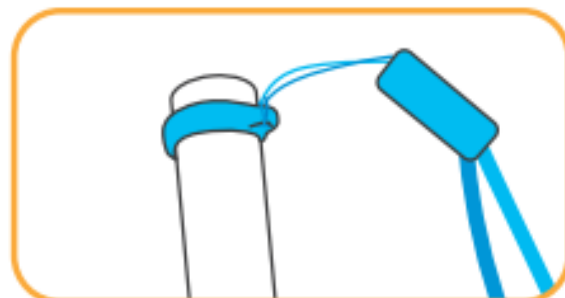

2 Gently press the pen tip until it's fully soaked.

3 Color on the water-reveal pages—watch the hidden pictures appear!

Anti-Lost Strap

Slide the silicone ring onto the pen end.

Wear around the neck or tie to the book ring to keep the pen from getting lost.

Shoulder Strap Tip

For travel, thread the strap through the binding ring as shown. For indoor use, we recommend removing the strap.

FAQ

Q: Do I need paint? Will it stain clothes or make a mess?

A: No paint needed—just fill the water pen with clean water. The color fades as it dries and won't leave stains. Cleaner than traditional painting, great for both indoor and travel use.

Q: Can the static stickers be reused?

A: Yes! They're reusable—peel and stick again and again. If they don't stick well, rinse with clean water and let them air-dry. Tear along the top dotted line to use, then fold along the middle dotted line and store in the zip pouch.
